Join us following the
event at **Social** for
appetizers provided by
PitAND!

Join PitAND as we collaborate with 412 Food Rescue to help fight hunger in our community! 412 Food Rescue's Hidden Harvest program:

- Rescues surplus produce in backyard and gardens from going to waste
- Delivers produce directly to community organizations
- Transforms inedible produce into valued-added products to help end hunger and food waste

We will be joining 412 Food Rescue for a fun afternoon of gleaning fruit from local trees in Pittsburgh. Family members are welcome to come. Afterward, we will head over to Social (nearby at Bakery Square) for appetizers provided by PitAND!

Registration is required. We need a minimum of 10 participants for this event.

Registration and event questions: Please email Membership Co-Chair, Joanie Risbano, by 9/10: joanie.rodriquez@gmail.com.

****Register by 8/31 and you will be entered to win a door prize!****
