

SCOPE OF THE COURSE

This course will provide an overview of malnutrition, nutrition screening, and nutrition assessment in the setting of hospitalized patients.

OBJECTIVES

At the conclusion of the course, attendees will be able to:

1. Outline the prevalence of hospital related malnutrition and its impact on outcomes.
2. Review the Academy of Nutrition and Dietetics and ASPEN Consensus Criteria for diagnosing malnutrition and describe the process for implementing in hospital settings.
3. Describe the opportunities for success in malnutrition documentation.

SPEAKER

Ainsley Malone, MS, RDN, LDN, CNSC, FAND, FASPEN is currently a Clinical Practice Specialist within the American Society for Parenteral and Enteral Nutrition and a Nutrition Support Dietitian at Mount Carmel West Hospital in Columbus Ohio. She is a previous President of ASPEN and has held various professional affiliations within ASPEN, Ohio Society for Parenteral and Enteral Nutrition, Academy of Nutrition and Dietetics. She is Nutrition Support Certified and has received numerous awards like the Medallion Award (AND), Fellow of the American Society for Parenteral and Enteral Nutrition (FASPEN), Fellow of the Academy of Nutrition and Dietetics (FAND), Distinguished Service Award, Distinguished Nutrition Support Dietitian Service, among others.
